11 danger to others, is persistently or acutely disabled or is gravely disabled
12 and in need of treatment, and is either unwilling or unable to accept
13 voluntary treatment, the court shall order the patient to undergo one of the

16 2. Treatment in a program consisting of combined inpatient and
17 outpatient treatment.

18 3. Inpatient treatment in a mental health treatment agency, in a

21 subject to the limitations of section 36-541.

22 B. The court shall consider all available and appropriate alternatives
23 for the treatment and care of the patient. The court shall order the least
24 restrictive treatment alternative available.

25 C. The court may order the proposed patient to undergo outpatient or
26 combined inpatient and outpatient treatment pursuant to subsection A,
27 paragraph 1 or 2 of this section if the court:

28 1. Determines that all of the following apply:

29 (a) The patient does not require continuous inpatient hospitalization.

30 (b) The patient will be more appropriately treated in an outpatient
31 treatment program or in a combined inpatient and outpatient treatment
32 program.

33 (c) The patient will follow a prescribed outpatient treatment plan.

34 (d) The patient will not likely become dangerous or suffer more
35 serious physical harm or serious illness or further deterioration if the
36 patient follows a prescribed outpatient treatment plan.

37 2. Is presented with and approves a written treatment plan that
38 conforms with the requirements of section 36-540.01, subsection B. If the
39 treatment plan presented to the court pursuant to this subsection provides
40 for supervision of the patient under court order by a mental health agency
41 that is other than the mental health agency that petitioned or requested the
42 county attorney to petition the court for treatment pursuant to section
43 36-531, the treatment plan must be approved by the medical director of the
44 mental health agency that will supervise the treatment pursuant to subsection
45 E of this section.

1 D. An order to receive treatment pursuant to subsection A, paragraph 1
2 or 2 of this section shall not exceed three hundred sixty-five days. The
3 period of inpatient treatment under a combined treatment order pursuant to
4 subsection A, paragraph 2 of this section shall not exceed the maximum period
5 allowed for an order for inpatient treatment pursuant to subsection F of this
6 section.

7 E. If the court enters an order for treatment pursuant to subsection
8 A, paragraph 1 or 2 of this section, all of the following apply:

9 1. The court shall designate the medical director of the mental health
10 treatment agency that will supervise and administer the patient's treatment
11 program.

12 2. The medical director shall not use the services of any person,
13 agency or organization to supervise a patient's outpatient treatment program
14 unless the person, agency or organization has agreed to provide these
15 services in the individual patient's case and unless the department has
16 determined that the person, agency or organization is capable and competent
17 to do so.

18 3. The person, agency or organization assigned to supervise an
19 outpatient treatment program or the outpatient portion of a combined
20 treatment program shall be notified at least three days before a referral.
21 The medical director making the referral and the person, agency or
22 organization assigned to supervise the treatment program shall share relevant
23 information about the patient to provide continuity of treatment.

24 4. During any period of outpatient treatment under subsection A,
25 paragraph 2 of this section, if the court, on motion by the medical director
26 of the patient's outpatient mental health treatment facility, determines that
27 the patient is not complying with the terms of the order or that the
28 outpatient treatment plan is no longer appropriate and the patient needs
29 inpatient treatment, the court, without a hearing and based on the court
30 record, the patient's medical record, the affidavits and recommendations of
31 the medical director, and the advice of staff and physicians familiar with
32 the treatment of the patient, may enter an order amending its original order.
33 The amended order may alter the outpatient treatment plan or order the
34 patient to inpatient treatment pursuant to subsection A, paragraph 3 of this
35 section. The amended order shall not increase the total period of commitment
36 originally ordered by the court or, when added to the period of inpatient
37 treatment provided by the original order and any other amended orders, exceed
38 the maximum period allowed for an order for inpatient treatment pursuant to
39 subsection F of this section. If the patient refuses to comply with an
40 amended order for inpatient treatment, the court may authorize and direct a
41 peace officer, on the request of the medical director, to take the patient
42 into protective custody and transport the patient to the agency for inpatient
43 treatment. When reporting to or being returned to a treatment agency for
44 inpatient treatment pursuant to an amended order, the patient shall be
45 informed of the patient's right to judicial review and the patient's right to
46 consult with counsel pursuant to section 36-546.

1 5. During any period of outpatient treatment under subsection A,
2 paragraph 2 of this section, if the medical director of the outpatient
3 treatment facility in charge of the patient's care determines, in concert
4 with the medical director of an inpatient mental health treatment facility
5 who has agreed to accept the patient, that the patient is in need of
6 immediate acute inpatient psychiatric care because of behavior that is
7 dangerous to self or to others, the medical director of the outpatient
8 treatment facility may order a peace officer to apprehend and transport the
9 patient to the inpatient treatment facility pending a court determination on
10 an amended order under paragraph 4 of this subsection. The patient may be
11 detained and treated at the inpatient treatment facility for a period of no
12 more than forty-eight hours, exclusive of weekends and holidays, from the
13 time that the patient is taken to the inpatient treatment facility. The
14 medical director of the outpatient treatment facility shall file the motion
15 for an amended court order requesting inpatient treatment no later than the
16 next working day following the patient being taken to the inpatient treatment
17 facility. Any period of detention within the inpatient treatment facility
18 pending issuance of an amended order shall not increase the total period of
19 commitment originally ordered by the court or, when added to the period of
20 inpatient treatment provided by the original order and any other amended
21 orders, exceed the maximum period allowed for an order for inpatient
22 treatment pursuant to subsection F of this section. If a patient is ordered
23 to undergo inpatient treatment pursuant to an amended order, the medical
24 director of the outpatient treatment facility shall inform the patient of the
25 patient's right to judicial review and to consult with an attorney pursuant
26 to section 36-546.

27 F. The maximum periods of inpatient treatment that the court may
28 order, subject to the limitations of section 36-541, are as follows:

- 29 1. Ninety days for a person found to be a danger to self.
- 30 2. One hundred eighty days for a person found to be a danger to
31 others.
- 32 3. One hundred eighty days for a person found to be persistently or
33 acutely disabled.
- 34 4. Three hundred sixty-five days for a person found to be gravely
35 disabled.

36 G. If, on finding that the patient is gravely disabled, the court also
37 finds that the evidence indicates that the patient is or may be in need of
38 guardianship or conservatorship, or both, the court shall order an
39 investigation concerning the need for a guardian or conservator, or both, and
40 shall appoint a suitable person or agency to conduct the investigation. The
41 appointee may include the mental health treatment agency that is providing
42 inpatient or outpatient treatment, a court appointed visitor or the public
43 fiduciary if there is no person willing and qualified to act in that
44 capacity. The court shall give notice of the appointment to the appointee
45 within three days of the appointment. The appointee shall submit the report
46 of the investigation to the court within twenty-one days. The report shall

1 include recommendations as to who should be guardian or who should be
2 conservator, or both, and a report of the findings and reasons for the
3 recommendation. If the investigation and report so indicate, the court shall
4 order the appropriate person to submit a petition to become the guardian or
5 conservator, or both, of the patient.

6 H. If, on finding that a patient is gravely disabled, the court also
7 finds that the patient is in need of immediate guardianship for the purpose
8 of protection of the patient or for the purpose of carrying out alternatives
9 to court-ordered treatment, the court may appoint as a temporary guardian a
10 suitable person or the public fiduciary, if there is no person qualified and
11 willing to act in that capacity.

12 I. If, on finding that a patient is gravely disabled, the court also
13 learns that the patient has a guardian appointed under title 14, the court
14 may with notice impose on the existing guardian additional duties pursuant to
15 section 14-5312.01.

16 J. The court shall file a report as part of the court record on its
17 findings of alternatives for treatment.

18 K. Treatment shall not include psychosurgery, lobotomy or any other
19 brain surgery without specific informed consent of the patient or the
20 patient's legal guardian and an order of the superior court in the county in
21 which the treatment is proposed, approving with specificity the use of the
22 treatment.

23 L. The medical director or any person, agency or organization used by
24 the medical director to supervise the terms of an outpatient treatment plan
25 shall not be held civilly liable for any acts committed by a patient while on
26 outpatient treatment if the medical director, person, agency or organization
27 has in good faith followed the requirements of this section.

28 M. A peace officer who in good faith apprehends and transports a
29 patient to an inpatient treatment facility on the order of the medical
30 director of the outpatient treatment facility pursuant to subsection E,
31 paragraph 5 of this section shall not be subject to civil liability.

32 N. If a person has been found, as a result of a mental disorder, to
33 constitute a danger to self or others OR TO BE PERSISTENTLY OR ACUTELY
34 DISABLED OR GRAVELY DISABLED and the court enters an order for treatment
35 pursuant to subsection A of this section, the court shall grant access to the
36 person's name, date of birth, social security number, AND date of commitment
37 and, on termination of treatment by court order, date of termination to the
38 department of public safety to comply with the requirements of title 13,
39 chapter 31 and title 32, chapter 26.
